JULY-DECEMBER 1979 VOLUME 14

EDITORIAL INDEX

Identification codes:
c—Cited
et—Equal time
le—Letter from the editor
mu—Malpractice update
nl—News from the literature
oa—Original article
ppc—Problem-patient conference
s—Symposium
T80—Technology 1980™ (special issue)

NAMES

Abdul-Karim RW: How to prepare for the ECC test. 107, Sep, oa
Aiman J: Androgen insensitivity may cause male infertility. 13, Nov, nl
Alexander NJ: Primate center pursues the puzzles of reproductive biology. 178, Sep, c
When you suspect infertility is immunologic. 92, Nov, s
Allen JL: Managing infected abdominal wounds. 71, Oct, c
Risks and benefits of antibiotic prophylaxis for hysterectomy. 49, Nov, c
Amstay MS: Do IUDs increase relative risk of infection? 97, Oct, c
Preventing and controlling ob infection. 47, Sep, oa
Special problems of gynecologic infection. 50, Oct, oa
Treating infections following cesarean section. 81, Sep, c
Anderson DW: How safe is ultrasound in obstetrics? 71, T80, c
Anderson ET: How useful is peritoneoscopy in gyn oncology? 33, Aug, c
Ansbacher R: When you suspect infertility is immunologic. 92, Nov, s
Asherman JG: Newer methods of diagnosing and treating Asherman syndrome. 120, Nov, c
Ashitaka Y: When you suspect infertility is immunologic. 110, Nov, c
Austin DF: Debate over screening for endometrial cancer. 101, Oct, c
Averette HE: Should CIN be treated cryosurgically? 66, Jul, s
Bagley CM Jr: Diagnosing, staging, and treating early ovarian carcinoma. 36, Nov, c
How useful is peritoneoscopy in gyn oncology? 36, Aug, c
Baker DA: Contaminated equipment: a concern for hospitalized patients. 87, Oct, oa
Special problems of gynecologic infection. 51, Oct, c
Banta HD: Defending EFM. 13, Jul, c
EFM revisited. 9, Jul, c
Replying to Dr. Queenan. 24, Jul, c
Barber HRK: What's wrong with ob-gyn surgical training? How can it be upgraded? 78, Dec, s
Barlow JJ: Diagnosing, staging, and treating early ovarian carcinoma. 33, Nov, oa
Barrett JT: How safe is ultrasound in obstetrics? 71, T80, c
Bauers J: House staff may help patients in suits against city hospitals. 126, Jul, mu
Behrman RE: Brief for aggressive resuscitation of neonates. 138, Sep, c
Behrman SJ: When you suspect infertility is immunologic. 93, Nov, c
Belding DL: When you suspect infertility is immunologic. 110, Nov, c
Benedetti TJ: Managing shoulder dystocia. 33, Sep, oa
Bergman P: Newer methods of diagnosing and treating Asherman syndrome. 121, Nov, c
Berkowitz RL: How safe is ultrasound in obstetrics? 63, T80, oa
Berquist C: New intranasal contraceptive method is studied. 15, Dec, nl
Bhattacharya M: Diagnosing, staging, and treating early ovarian carcinoma. 33, Nov, oa
Bigazzi PE: When you suspect infertility is immunologic. 101, Nov, c
Bissell L: Alcholism: When the problem is yours . . . or your associate's. 53, Jul, c
Blichert-Toft M: Mastalgia relieved by bromocriptine. 13, Aug, nl
Blinick G: How useful is peritoneoscopy in gyn oncology? 38, Aug, c
Bobitt JR: Infection and prematurity: Is there an interrelationship? 87, Sep, c
Boettcher B: When you suspect infertility is immunologic. 102, Nov, c
Bolognese RJ: Postdates pregnancy: its risks and management. 133, Oct, oa
Bolton RN: Defending EFM. 13, Jul, et
Boronow RC: What's wrong with ob-gyn surgical training? How can it be upgraded? 78, Dec, s
Bourge RC: Proper antibiotic use. 43, Nov, c
When and how to use the new cephalosporins. 67, Nov, oa
Bowes WA: Brief for aggressive resuscitation of neonates. 134, Sep, c
Boyes DA: Screening for genital tract cancers. 31, T80, c
Boyett JM: Assessing the clinical potential of the newer parenteral cephalosporins. 82, Nov, c
Brascho DJ: Detecting and assessing cancer with ultrasound. 21, Aug, oa
Widening the attack on gyn cancer. 11, Aug, c
Breeden JT: Risks and benefits of antibiotic prophylaxis for hysterectomy. 49, Nov, c
Brenner RM: Primate center pursues the puzzles of reproductive biology. 176, Sep, c
Brownrigg GM: Contraception for the high-risk woman. 120, Aug, c
Brumfitt W: Contaminated equipment: a concern for hospitalized patients. 87, Oct, c
Buchsbaum HJ: Diagnosing, staging, and treating early ovarian carcinoma. 36, Nov, c
Caire JB: Replying to Dr. Queenan. 25, Jul, et
Caldwell JR: Anticipating and avoiding toxic reactions to antibiotics. 32, Dec, c
Campbell S: Can humane medicine survive? 14, Sep, c
Cane EM: Prostaglandins: key to primary dysmenorrhea? 118, Jul, c
Cantor B: Fertility and infertility: What's new? 101, Jul, c
Carter BL: Scanning gyn cancers with CT. 51, Aug, c
Chan WY: Prostaglandins: key to primary dysmenorrhea? 120, Jul, c
Chao S: Brief for aggressive resuscitation of neonates. 119, Sep, ppc
Charles D: Do IUDs increase relative risk of infection? 97, Oct, c
Single-drug regimen proves effective in postcesarean infection. 74, Dec, c
Charny CW: Fertility and infertility: What's new? 113, Jul, c
Check JH: Infertility in men: What the gynecologist needs to know. 202, Sep, c
Chernak ES: Scanning gyn cancers with CT. 45, Aug, c
Chez RA: How to prepare for the ECC test. 107, Sep, oa
Clark GC: Diagnosing, staging, and treating early ovarian carcinoma. 36, Nov, c
Cluff LE: Anticipating and avoiding toxic reactions to antibiotics. 32, Dec, c
Clyman M: What's happening in endoscopy? 22, T80, c
Coakley WT: How safe is ultrasound in obstetrics? 68, T80, c
Cohen BM: Fertility and infertility: What's new? 112, Jul, c
Connell EB: Pro and con: HEW's sterilization rules. 155, Sep, c
Cooper IS: Two sophisticated therapeutic weapons: the cryoprobe and the laser. 83, T80, c
Courey NG: Fertility and infertility: What's new? 100, Jul, c
Creasman WT: Should CIN be treated cryosurgically? 66, Jul, s
Crittendon WF: When the practitioner sues the TV station . . . and wins. 123, Jul, mu
Cruse JR: Alcoholism: When the problem is yours . . . or your associate's. 54, Jul, c
Alcoholism: When your patient is a problem drinker. 37, Jul, oa
Cruse PJE: Managing infected abdominal wounds. 69, Oct, c
Csapo AL: Postdates pregnancy: its risks and management. 134, Oct, c
Prostaglandins: key to primary dysmenorrhea? 121, Jul, c
Cunningham FG: Avoiding the dangers of UTI in pregnancy. 96, Sep, c
Preventing and controlling ob infection. 47, Sep, c
Treating infections following cesarean section. 77, Sep, oa
Cunningham G: Do IUDs increase relative risk of infection? Oct, c
Infertility in men: What the gynecologist needs to know. 188, Sep, s
Single-drug regimen proves effective in postcesarean infection. 71, Dec, c
Cushner IM: Pro and con: HEW's sterilization rules. 158, Sep, c
Davenport W: Clinician and the homosexual patient. 98, Aug, c
Davey D: How safe is ultrasound in obstetrics? 64, T80, c
David H: How safe is ultrasound in obstetrics? 71, T80, c
Davidson J: Clinician and the homosexual patient. 92, Aug, s
Davis L: What's wrong with ob-gyn surgical training? How can it be upgraded? 91, Dec, c
Dawood MY: Prostaglandins: key to primary dysmenorrhea? 118, Jul, c
Demers LM: Prostaglandins: key to primary dysmenorrhea? 119, Jul, c
Deming B: Using audiovisuals to answer patients' questions. 93, T80, c
Diasio RB: Scanning gyn cancers with CT. 43, Aug, oa
Dickey RP: How FDA regulations affect the devices you buy. 11, T80, oa
diZerega G: Single-drug regimen proves effective in postcesarean infection. 68, Dec, c
Dmowsky WP: Newer methods of diagnosing and treating Asherman syndrome. 120, Nov, c
Dörner G: Clinician and the homosexual patient. 104, Aug, c
Dove FD: Using audiovisuals to answer patients' questions. 94, T80, c
Downie J: Prostaglandins: key to primary dysmenorrhea? 119, Jul, c
Downing DJ: Assessing the clinical potential of the newer parenteral cephalosporins. 81, Nov, c
Driscoll JM Jr: Brief for aggressive resuscitation of neonates. 119, Sep, ppc
Dunn F: How safe is ultrasound in obstetrics? 68, T80, c
Dupont B: New and accurate ways to diag-

nose CAH prenatally. 66, Aug, c
Eaton GG: Primate center pursues puzzles of reproductive biology. 173, Sep, c
Ehrhardt A: Clinician and the homosexual patient. 94, Aug, c
Epstein JA: Infertility in men: What the gynecologist needs to know. 202, Sep, c
Eriksen J: Newer methods of diagnosing and treating Asherman syndrome. 121, Nov, c
Eschenbach DA: Antimicrobial activity of metronidazole. 62, Nov, oa
Do IUDs increase relative risk of infection? 93, Oct, oa
Proper antibiotic use. 42, Nov, c
Single-drug regimen proves effective in postcesarean infection. 71, Dec, c
Special problems of gynecologic infection. 51, Oct, c
Evans DR: Abortion history linked to spina bifida rate. 13, Nov, nl
Does cigarette smoking cause birth defects? 15, Dec, mu
Ferenczy AM: Debate over screening for endometrial cancer. 100, Oct, s
Screening for genital tract cancers. 31, T80, oa
Field TM: Postdates pregnancy: its risks and management. 136, Oct, c
Fineberg HI: Patient access to records at issue in New York. 124, Jul, mu
Finer NN: Physiotherapy cuts frequency of postextubation atelectasis. 24, Oct, nl
Finster M: Brief for aggressive resuscitation of neonates. 119, Sep, ppc
Fisk N: Clinician and the homosexual patient. 92, Aug, s
Fitzpatrick J: Using audiovisuals to answer patients' questions. 93, T80, oa
Fjällbrant B: When you suspect infertility is immunologic. 107, Nov, c
Foord R: Managing infected abdominal wounds. 70, 61, Oct, c
Frangenheim H: How useful is peritoneoscopy in gyn oncology? 35, Aug, c
Freda VJ: Brief for aggressive resuscitation of neonates. 133, Sep, c
Freeman RK: EFM revisited. 9, Jul, c
Survey of fetal monitoring equipment. 25, T80, oa
Friberg J: When you suspect infertility is immunologic. 110, Nov, c
Friedman JH: How useful is peritoneoscopy in gyn oncology? 36, Aug, c
Frischer R: Does minilaparotomy for sterilization have a place in your practice? 39, Oct, oa
Fritsch H: Newer methods of diagnosing and treating Asherman syndrome. 120, Nov, c
Fuchs F: Brief for aggressive resuscitation of neonates. 123, Sep, c
Fuks A: Diagnosing, staging, and treating early ovarian carcinoma. 36, Nov, c
Fulgham DL: When you suspect infertility is immunologic. 105, Nov, c
Gabert HA: Defending EFM. 16, Jul, c
Galask RP: Managing infected abdominal wounds. 71, Oct, c
Single-drug regimen proves effective in postcesarean infection. 71, Dec, c
Gallaher JP: Using audiovisuals to answer patients' questions. 93, T80, c
Galperin-Lemaitre H: How safe is ultrasound in obstetrics? 68, T80, c
Garcia CR: Pro and con: HEW's sterilization rules. 154, Sep, c
Gary GW Jr: Rapid diagnosis of CMV by electron microscopy. 27, Jul, nl
Gelfand MM: Debate over screening for endometrial cancer. 129, Oct, c
Gemzell C: Fertility and infertility: What's new? 111, Jul, c
Gibbs RS: Anticipating and avoiding toxic reactions to antibiotics. 32, Dec, oa
Defending EFM. 16, Jul, c
How to manage acute chorioamnionitis. 69, Sep, oa
Preventing and controlling ob infection. 47, Sep, c
Proper antibiotic use. 43, Nov, c
Single-drug regimen proves effective in postcesarean infection. 75, Dec, c
Gillett AP: When and how to use the new cephalosporins. 71, Nov, c
Gilstrap LC III: Proper antibiotic use. 43, Nov, c
Single-drug regimen proves effective in postcesarean infection. 68, Dec, oa
Goldstein PJ: Replying to Dr. Queenan. 23, Jul, et
Goodlin RC: Rebutting Dr. Schifrin. 21, Jul, et
Gopferud DR: Scanning gyn cancers with CT. 43, Aug, oa
Gorman JG: A brief for aggressive resuscitation of neonates. 133, Sep, c
Gay RW: Clinician and the homosexual patient. 94, Aug, c
Green JW: Managing infected abdominal wounds. 69, Oct, c
Green K: Prostaglandins: key to primary dysmenorrhea? 121, Jul, c
Green R: Clinician and the homosexual patient. 94, Aug, c
Greenblatt RB: Newer methods of diagnosing and treating Asherman syndrome. 120, 131, Nov, c
Grossman JH III: Proper antibiotic use. 42, Nov, c
Risks and benefits of antibiotic prophylaxis for hysterectomy. 47, Nov, oa
Guralnick M: Debate over screening for endometrial cancer. 129, Oct, c
Haesslein HC: Rebutting Dr. Schifrin. 21, Jul, c
Hahn G: What's wrong with ob-gyn surgical training? How can it be upgraded? 80, Dec, c
Hakes T: Higher doses of methotrexate used in cervical cancer. 15, Aug, nl
Halasz NA: Managing infected abdominal wounds. 71, Oct, c
Halbert DR: Prostaglandins: key to primary dysmenorrhea? 118, Jul, c
Hall CB: Age may be a factor in infant RSV infection. 14, Oct, nl
Hall DJ: Scanning gyn cancers with CT. 43, oa
Widening the attack on gyn cancer. 11, Aug, c
Harris RE: Avoiding the dangers of UTI in pregnancy. 93, Sep, oa
Preventing and controlling ob infection. 47, Sep, c
Replying to Dr. Queenan. 24, Jul, et
Hasson H: What's happening in endoscopy? 17, T80, c
Hatcher RA: Pro and con: HEW's sterilization rules. 156, Sep, c
Haverkamp AD: Defending EFM. 13, Jul, c
Hayward AR: Delayed cord separation may affect neutrophil function. 28, Oct, nl
Hecht EL: Debate over screening for endometrial cancer. 127, Oct, c
Hellman LM: How safe is ultrasound in obstetrics? 72, T80, c
Henderson CJ: Managing infected abdominal wounds. 71, Oct, c
Henzl MR: Prostaglandins: key to primary dysmenorrhea? 120, Jul, c
Hibbard LT: Managing shoulder dystocia. 36, Sep, c
Hilaris BS: Diagnosing, staging, and treating early ovarian carcinoma. 36, Nov, c
Hildred SJ: Managing infected abdominal wounds. 71, Oct, c
Hirsch H: Controlling nosocomial infections after ob-gyn surgery. 79, Oct, oa
Special problems of gynecologic infection. 50, Oct, c
Hobbins JC: EFM revisited. 9, Jul, c
How safe is ultrasound in obstetrics? 63, T80, oa
Hobel CJ: A brief for aggressive resuscitation of neonates. 134, Sep, c
Hoffmeister FJ: Debate over screening for endometrial cancer. 129, Oct, c
Hohe PT: Replying to Dr. Queenan. 24, Jul, c
Hohler CW: How safe is ultrasound in obstetrics? 63, T80, oa
Making the best use of ultrasound equipment in your practice. 51, T80, oa
Homesley HD: Managing infected abdominal wounds. 71, Oct, c
Hoskins DD: Primate center pursues the puzzles of reproductive biology. 177, Sep, c
House J: House staff may help patients in suits against city hospitals. 128, Jul, mu
Huddleston J: Experimental data support EFM. 21, Jul, et
Hulka JF: Pro and con: HEW's sterilization rules. 154, Sep, c
Huszar G: How safe is ultrasound in obstetrics? 68, T80, c
Inman WHW: Contraception for the high-risk woman. 122, Aug, c
Isojima S: When you suspect infertility is immunologic. 110, Nov, c
Israel R: Pro and con: HEW's sterilization rules. 154, Sep, c
Jackson GG: Guidelines for using aminoglycosides. 39, Dec, c
Jager S: When you suspect infertility is immunologic. 105, Nov, c
Jaques PF: Scanning gyn cancers with CT. 45, Aug, c
Jelden GL: Scanning gyn cancers with CT. 45, Aug, c
Jewelewicz R: Newer methods of diagnosing and treating Asherman syndrome. 117, Nov, ppc
Johnson V: Alcoholism: When the problem is yours . . . or your associate's. 61, Jul, c
Alcoholism: When your patient is a problem drinker. 39, Jul, c
Jones RW: Alcoholism: When the problem is yours . . . or your associate's. 53, Jul, c
Kaastat C: Newer methods of diagnosing and treating Asherman syndrome. 121, Nov, c
Kaufman RM: Two sophisticated therapeutic weapons: the cryoprobe and the laser. 83, T80, oa
Kay DJ: When you suspect infertility is immunologic. 102, Nov, c
Keettel WC: Diagnosing, staging, and treating early ovarian carcinoma. 36, Nov, c
Kelso IM: Defending EFM. 16, Jul, c
Kent PR: Photography in the operating room. 97, T80, oa
Keung-Yeung K: When you suspect infertility is immunologic. 93, Nov, c
Kibrick S: When you suspect infertility is immunologic. 110, Nov, c
King CR: Placental chorioangioma retards intrauterine growth. 13, Aug, nl
King TM: Does minilaparotomy for sterilization have a place in your practice? 40, Oct, c
Kistner RW: Fertility and infertility: What's new? 114, Jul, c
Kline SB: Fertility and infertility: What's new? 114, Jul, oa
Koenigsberger R: Brief for aggressive resuscitation of neonates. 143, Sep, c
Kolodner R: Clinician and the homosexual patient. 104, Aug, c
Konerding KF: Scanning gyn cancers with CT. 43, Aug, oa
Kremer J: When you suspect infertility is immunologic. 105, Nov, c
Kuiken J: When you suspect infertility is immunologic. 105, Nov, c
Kuntz WW: Replying to Dr. Queenan. 25, Jul, et
Laemmle P: Do IUDs increase relative risk of infection? 94, Oct, c
Langley II: Diagnosing, staging, and treating early ovarian carcinoma. 36, Nov, c
Larsen JW Jr: Can amniotic fluid analyses predict infection? 53, Sep, oa
New and accurate ways to diagnose CAH prenatally. 59, Aug, c
Preventing and controlling ob infection. 47, Sep, c
Laster L: Primate center pursues the puzzles of reproductive biology. 169, Sep, c
Ledger WJ: Assessing the clinical potential of the newer parenteral cephalosporins. 89, Nov, c
Do IUDs increase relative risk of infection? 96, Oct, c
Infection and prematurity: Is there an interrelationship? 87, Sep, c
Single-drug regimen proves effective in postcesarean infection. 68, Dec, c
Treating infections following cesarean section. 80, Sep, c
Leppert P: Mothers' childhood diseases may lead to small babies. 19, Sep, nl
Levine LS: New and accurate ways to diagnose CAH prenatally. 66, Aug, c
Levine RU: Newer methods of diagnosing and treating Asherman syndrome. 117, Nov, ppc
Lewis JL: Ours is a surgical specialty—and will remain so. 9, Dec, le
What's wrong with ob-gyn surgical training? How can it be upgraded? 78, Dec, s
Lewitt S: Do IUDs increase relative risk of infection? 93, Oct, c
Librizzi RJ: Postdates pregnancy: its risks and management. 133, Oct, oa
Liggins GC: Postdates pregnancy, its risks and management. 134, Oct, c
Lipshultz LI: Infertility in men: What the gynecologist needs to know. 188, Sep, s

SUBJECTS

ABDOMEN
Insufflation of, in laparoscopy. 75, Aug, oa
ABNORMALITIES
Congenital anomalies in offspring of women alcoholics. 41, July, oa
Does maternal smoking cause birth defects? 15, Dec, nl
Effect of chemical contaminants on primate reproduction. 186, Sep, oa
Placental chorioangioma retards intrauterine growth. 13, Aug, nl
Prenatal diagnosis of congenital adrenal hyperplasia. 59, Aug, oa
Spina bifida rate linked to abortion history. 13, Nov, nl
see also **CHROMOSOME ABNORMALITIES**
ABORTIFACIENT AGENTS
Tools and techniques for performing abortion. 89, T80, oa
ABORTION
Spina bifida rate linked to abortion history. 13, Nov, nl
Tools and techniques for performing. 87, T80, oa
ABORTION, HABITUAL
In primates treated with testosterone. 171, Sep, oa
Sign of Asherman syndrome. 120, Nov, ppc
ABORTION, INDUCED
WHO studies abortion effects. 24, Nov, nl
ABORTION, SPONTANEOUS
Rate in pregnancies following ovulation induced by clomiphene. 105, July, oa
ADENOCARCINOMA
Of endometrium, incidence increasing. 100, Oct, s
ADNEXAL DISEASES
Screening for genital tract cancers. 33, T80, oa
Tuboperitoneal surgery for lysis of adhesions. 115, Aug, oa
ADRENAL NEOPLASMS
New and accurate ways to diagnose CAH prenatally. 59, Aug, oa
ADRENOGENITAL SYNDROME
Endocrine abnormalities in homosexuals. 94, Aug, s
ADVERTISING
FDA regulations on medical devices and. 12, T80, oa
AGE FACTORS
Contraception for the high-risk woman. 119, Aug, oa
Effect on sexual behavior in primates. 171, Sep, oa
HEW bans sterilization of minors. 158, Sep, oa
In bromocriptine treatment of unexplained amenorrhea. 14, Oct, nc
In infant RSV infection. 14, Oct, nl
Incidence of endometrial cancer increased in women over 50. 100, Oct, s
Increase risk of renal toxicity in aminoglycoside therapy. 33, Dec, oa
Old age the principal risk factor in endometrial cancer. 34, T80, oa
Perinatal mortality increased for older women with postdates pregnancies. 133, Oct, oa
Spina bifida rate linked to abortion history. 16, Nov, nl
AGGLUTINATION
Of spermatozoa, in immunologic infertility. 93, Nov, s
ALCOHOLICS ANONYMOUS
Alcoholism: When the problem is yours . . . or your associate's. 61, July, oa
Alcoholism: When your patient is a problem drinker. 37, July, oa
ALCOHOLISM
When the problem is yours . . . or your associate's. 53, July, oa
When your patient is a problem drinker. 37, July, oa
ALKALOSIS
Soy-based infant formulas linked to. 23, Sep, nl
ALPHA FETOPROTEINS
Office diagnostic tests for neural tube defects. 42, T80, oa
ALTERNATE BIRTH CENTERS
EFM controversy and. 21, Jul, et
AMEBIASIS
Metronidazole is treatment of choice for. 62, Nov, oa
AMENORRHEA
Bromocriptine valueless in unexplained amenorrhea. 14, Oct, nl
Clomiphene therapy for. 105, July, oa
Postpill symptom in adolescents. 119, Aug, oa
Sign of Asherman syndrome. 118, Nov, ppc
AMERICAN ARBITRATION ASSOCIATION
Arbitration gaining acceptance in malpractice cases. 156, Oct, mu
AMERICAN ASSOCIATION OF GYNECOLOGIC LAPAROSCOPISTS
Survey of medical and surgical complications of laparoscopy. 75, Aug, oa
AMERICAN BOARD OF OBSTETRICS AND GYNECOLOGY
What's wrong with ob-gyn surgical training? 81, Dec, s
AMERICAN COLLEGE OF OBSTETRICIANS AND GYNECOLOGISTS
Statement on use of cryotherapy for neoplasia of the uterine cervix. 70, July, s
AMERICAN FERTILITY SOCIETY
Summary of 35th annual meeting, Part II. 99, July, oa
AMERICAN INSTITUTE OF ULTRASOUND IN MEDICINE
Developing calibration standards for ultrasound equipment. 58, T80, oa
Statement on safety threshold for ultrasound exposure. 72, T80, oa
AMIKACIN
Guidelines for using aminoglycosides. 43, Dec, oa
AMINOGLYCOSIDES
Guidelines for using. 39, Dec, oa
In combination therapy for infections following cesarean section. 79, Sep, oa
Plus penicillin, compared with cefamandole in postoperative infection. 68, Dec, oa
Proper antibiotic use. 43, Nov, oa
Toxic reactions to. 32, Dec, oa
Treatment for chorioamnionitis. 71, Sep, oa
AMNIOCENTESIS
Can amniotic fluid analyses predict infection? 53, Sep, oa
New and accurate ways to diagnose CAH prenatally. 59, Aug, oa
Technology's impact on practice. 9, T80, le
To detect meconium when postdates pregnancy is suspected. 142, Oct, oa
Ultrasound imaging as an adjunct to. 55, T80, oa
AMNIOTIC FLUID
Analyzing for chorioamnionitis-causing organisms. 70, Sep, oa
Can analysis of predict infection? 53, Sep, oa
Quantitating organisms in, to control ob infection. 47, Sep, oa
AMPICILLIN
Compared with cephalosporins for antibiotic effectiveness. 82, Nov, oa
Preventive prophylactic before hysterectomy. 61, Oct, oa
Therapy for infections following cesarean section. 80, Sep, oa
Treatment for chorioamnionitis. 71, Sep, oa
Treatment for urinary tract infections. 94, Sep, oa
ANALGESICS
Mastalgia relieved by bromocriptine. 13, Aug, nl
ANASTOMOSIS
Classifying tuboperitoneal operations for infertility. 111, Aug, oa
ANDROGENS
Altering perinatal levels of may influence later sexual behavior. 93, Aug, s
Androgen insensitivity may cause male infertility. 13, Nov, nl
ANDROSTENEDIONE
Androgen insensitivity may cause male infertility. 13, Nov, nl
ANEMIA
IUD use contraindicated for women with iron deficiency. 124, Aug, oa
Office diagnostic tests for. 40, T80, oa
Risk factor in infection following cesarean section. 77, Sep, oa
ANEMIA, APLASTIC
Rare side effect of chloramphenicol treatment. 34, Dec, oa
ANENCEPHALY
Abortion history and. 13, Nov, nl
Prolonged pregnancy and. 133, Oct, oa
ANESTHESIA
Malpractice action for negligence in. 126, Jul, mu
Using audiovisuals to answer patients' questions. 94, T80, oa
ANESTHESIA, LOCAL
Advantage of minilaparotomy for sterilization. 39, Oct, oa
ANGIOTENSIN II
High levels of in women taking oral contraceptives. 120, Aug, oa
ANOVULATION
Clomiphene therapy for. 105, July, oa
Human menopausal gonadotropin used to treat. 109, July, oa
Prostaglandin levels related to. 118, July, oa
ANTIBIOTICS
Anticipating and avoiding toxic reactions to. 32, Dec, oa
Antimicrobial activity of metronidazole. 62, Nov, oa
Antimicrobial therapy in urinary tract infections. 94, Sep, oa
Evaluating a single-agent prophylaxis for vaginal hysterectomy patients. 53, Dec, oa
Forestalling postoperative infection before starting a hysterectomy. 57, Oct, oa
Guidelines for using aminoglycosides. 39, Dec, oa
How to manage acute chorioamnionitis. 70, Sep, oa
Learning more about infections. 13, Oct, le
Managing infected abdominal wounds. 71, Oct, oa
Preventing infection following vaginal hysterectomy. 59, Dec, oa
Risks and benefits of antibiotic prophylaxis for hysterectomy. 47, Nov, oa
Special problems of gynecologic infection. 50, Oct, oa
Treating infections following cesarean section. 79, Sep, oa
Treating mixed infections with a new cephamycin. 63, Dec, oa
When and how to use the new cephalosporins. 67, Nov, oa
Why specialize in ob-gyn infection? 45, Sep, oa
see also **INFECTION; SPECIFIC ORGAN INFECTIONS**
ANTIGEN-ANTIBODY REACTIONS
In ovarian cystadenocarcinoma. 34, Nov, oa
In sperm of vasectomized primates. 178, Sep, oa
When you suspect infertility is immunologic. 92, Nov, s
ANTIGENS, NEOPLASM
Ovarian tumor-associated antigens isolated. 33, Nov, oa
APNEA
Theophylline treatment for, in premature newborn. 126, Sep, ppc
APPARATUS AND INSTRUMENTS, see **EQUIPMENT AND SUPPLIES**
ARBITRATION
Gaining acceptance in malpractice cases. 156, Oct, mu
ARTIFICIAL INSEMINATION
Therapy for immunologic infertility. 111, Nov, s
ASCORBIC ACID
Treatment for decreased neutrophil mobility in newborns. 28, Oct, nl
ASHERMAN SYNDROME
Newer methods of diagnosing and treating. 117, Nov, ppc
Postabortal occurrence. 88, T80, oa
ASSOCIATION FOR VOLUNTARY STERILIZATION
Estimates of numbers of women controlling fertility by voluntary sterilization. 45, Oct, oa
ATAXIA
Side effect of metronidazole. 63, Nov, oa
ATELECTASIS
Physiotherapy cuts frequency of, after extubation. 20, Oct, nl

INDEX

ATHEROSCLEROSIS
Accelerated in primates following vasectomy. 178, Sep, oa
AUDIOVISUAL AIDS
Directory of manufacturers. 105, T80, oa
Photography in the operating room. 97, T80, oa
Using audiovisuals to answer patients' questions. 93, T80, oa
AZOOSPERMIA, see **OLIGOSPERMIA**
BACTERIAL INFECTIONS
Anticipating and avoiding toxic reactions to antibiotics. 32, Dec, oa
Antimicrobial activity of metronidazole. 62, Nov, oa
Assessing the clinical potential of the newer parenteral cephalosporins. 81, Nov, oa
Avoiding the dangers of UTI in pregnancy. 93, Sep, oa
C diversus may be cause of infant death. 28, Oct, nl
Can amniotic fluid analyses predict infection? 53, Sep, oa
CDC reports increase in total gonorrhea morbidity. 19, Nov, nl
Contaminated equipment: a concern for hospitalized patients. 87, Oct, oa
Controlling nosocomial infections after ob-gyn surgery. 79, Oct, oa
Do IUDs increase relative risk of infection? 93, Oct, oa
Evaluating a single-agent prophylaxis for vaginal hysterectomy patients. 53, Dec, oa
Forestalling postoperative infection before starting a hysterectomy. 57, Oct, oa
Gonococcal infection implicated in cardiac death. 22, Nov, nl
Guidelines for using aminoglycosides. 39, Dec, oa
How to manage acute chorioamnionitis. 69, Sep, oa
Learning more about infections. 13, Oct, le
Managing infected abdominal wounds. 69, Oct, oa
Mixed, treating with a new cephamycin. 63, Dec, oa
Office diagnostic tests for infectious disease. 46, T80, oa
Prematurity and. 87, Sep, oa
Preventing and controlling ob infection. 47, Sep, oa
Preventing, following vaginal hysterectomy. 59, Dec, oa
Proper antibiotic use. 42, Nov, oa
Single-drug regimen proves effective in postcesarean infection. 68, Dec, oa
Special problems of gynecologic infection. 50, Oct, oa
Treating infections following cesarean section. 78, Sep, oa
When and how to use the new cephalosporins. 67, Nov, oa
Why specialize in ob-gyn infections? 45, Sep, oa
see also **SPECIFIC ORGAN INFECTIONS; SPECIFIC ORGANISMS**
BACTERIURIA
In pregnant women, associated with catheterization. 88, Oct, oa
Major component of nosocomial infections. 80, Oct, oa
Oral contraceptive use associated with high risk of. 123, Aug, oa
BACTEROIDES INFECTIONS
Cefoxitin most active cephalosporin against. 82, Nov, oa
Metronidazole effective against. 62, Nov, oa
Metronidazole used against penicillin-resistant strains. 42, Nov, oa
Resistant to all cephalosporins except cefoxitin. 76, Nov, oa
BIOCHEMISTRY
Androgen insensitivity may cause male infertility. 13, Nov, nl
Effect of metronidazole on bacterial metabolism. 62, Nov, oa
Mechanisms of bacterial resistance to aminoglycosides. 40, Dec, oa
Primate center pursues the puzzles of reproductive biology. 169, Sep, oa
When and how to use the new cephalosporins. 67, Nov, oa
When you suspect infertility is immunologic. 92, Nov, s
BIOPSY
Peritoneoscope used to perform. 33, Aug, oa
Screening for endometrial cancer. 115, Oct, s
BIOPSY, CONE
Colposcopy an alternative to in pregnancy. 100, Sep, oa
Essential diagnostic step when endocervical curettings show CIN. 21, Dec, oa
To evaluate cervical neoplasms preceding cryotherapy. 67, July, s
BIRTH CONTROL, see **FAMILY PLANNING**
BIRTH DEFECTS, see **ABNORMALITIES; CHROMOSOME ABNORMALITIES**
BIRTH INJURIES
Managing shoulder dystocia. 33, Sep, oa
BIRTHWEIGHT
Aggressive resuscitation for low-birthweight neonates. 119, Sep, ppc
Mothers' childhood diseases may lead to small babies. 19, Sep, nl
Risk of shoulder dystocia when fetus weighs more than 4 kg. 33, Sep, oa
BLOOD-BRAIN BARRIER
Blocks passage of cephalosporins. 70, Nov, oa
BLOOD CELL COUNT
Maternal WBC over 12,000 a sign of intrauterine infection. 88, Sep, oa
BLOOD CIRCULATION
How oxygen is transferred across the placenta. 151, Oct, oa
BLOOD-TESTIS BARRIER
Function in sperm antigen sequestration. 95, Nov, s
BONE DEVELOPMENT
Effect of steroids on adolescent growth. 120, Aug, oa
BRACHIAL PLEXUS
Risk of brachial plexus injury to neonate in shoulder dystocia. 36, Sep, oa
BRADYCARDIA
Theophylline treatment for in premature newborn. 126, Sep, ppc
BRAIN DAMAGE
Electronic fetal monitoring reduces risk of, during delivery. 21, Jul, et
BREAST DISEASES
Mastalgia relieved by bromocriptine. 13, Aug, nl
BREAST NEOPLASMS
Faulty diagnosis of, basis of malpractice case. 108, Dec, mu
Metastases to the ovaries. 34, Nov, oa
BROMOCRIPTINE
Compared with clomiphene and hCG in treating infertility. 110, July, oa
Mastalgia relieved by. 13, Aug, nl
Valueless in unexplained amenorrhea. 14, Oct, nl
CALIFORNIA MEDICAL ASSOCIATION
Stretching California's statute of limitations. 209, Sep, oa
CALIPERS, ELECTRONIC
With digital display, in ultrasound imaging. 55, T80, oa
CANCER, see **NEOPLASMS**
CANNABIS
Effect on sperm count. 192, Sep, s
CARBENICILLIN
Decreases antimicrobial activity of aminoglycosides. 42, Dec, oa
CARBON DIOXIDE
Distending medium in hysteroscopy. 18, T80, oa
Preferred insufflation medium for laparoscopy. 78, T80, oa
Refrigerant in cryoprobe. 84, T80, oa
Use in lasers. 84, T80, oa
CATHETERIZATION
Infections associated with. 87, Oct, oa
Source of infection in urinary tract. 94, Sep, oa
CAUTERY
Risk factor in surgical abdominal wound infection. 70, Oct, oa
CEFACLOR
When and how to use the cephalosporins. 69, Nov, oa
CEFAMANDOLE
In combination therapy for infections following cesarean section. 80, Sep, oa
Most active cephalosporin against *Enterobacter* species. 82, Nov, oa
Proper antibiotic use. 43, Nov, oa
Single-drug regimen proves effective in postcesarean infection. 68, Dec, oa
When and how to use the cephalosporins. 70, Nov, oa
CEFAZOLIN
Compared with newer cephalosporins and with ampicillin for antibiotic effectiveness. 81, Nov, oa
Preventive prophylactic before hysterectomy. 60, Oct, oa
CEFOXITIN
Evaluating a single-agent prophylaxis for vaginal hysterectomy patients. 53, Dec, oa
Most active cephalosporin against *Serratia marcescens, Proteus vulgaris,* and *Bacteroides fragilis*. 82, Nov, oa
Proper antibiotic use. 43, Nov, oa
To prevent infection following vaginal hysterectomy. 59, Dec, oa
Treating mixed infections with a new cephamycin. 63, Dec, oa
When and how to use the cephalosporins. 70, Nov, oa
CEFUROXIME
When and how to use the cephalosporins. 70, Nov, oa
CELLULITIS, PELVIC
Cefamandole treatment for, following cesarean section. 68, Dec, oa
Cefoxitin treatment for. 63, Dec, oa
CENTER FOR DISEASE CONTROL
Finds link between soy-based infant formulas and metabolic alkalosis. 23, Sep, nl
Reports increase in total gonorrhea morbidity. 19, Nov, nl
CEPHALEXIN
Treatment for urinary tract infections. 94, Sep, oa
When and how to use the cephalosporins. 69, Nov, oa
CEPHALOGLYCIN
When and how to use the cephalosporins. 69, Nov, oa
CEPHALORIDINE
Preventive prophylactic before hysterectomy. 60, Oct, oa
When and how to use the cephalosporins. 70, Nov, oa
CEPHALOSPORINS
Assessing the clinical potential of. 81, Nov, oa
Compared with penicillin for risk of adverse reactions. 32, Dec, oa
Preventive prophylactic before hysterectomy. 57, Oct, oa
Proper antibiotic use. 42, Nov, oa
Treatment for chorioamnionitis. 71, Sep, oa
CEPHALOTHIN
Compared with newer cephalosporins and with ampicillin for antibiotic effectiveness. 81, Nov, oa
Preventive prophylactic before hysterectomy. 60, Oct, oa
Proper antibiotic use. 43, Nov, oa
When and how to use the cephalosporins. 70, Nov, oa
CEPHAMYCINS
Treating mixed infections with. 63, Dec, oa
CEPHAPIRIN
When and how to use the cephalosporins. 70, Nov, oa
CEPHRADINE
When and how to use the cephalosporins. 69, Nov, oa
CERTIFICATION, SPECIALTY
Requirements for surgical specialties. 81, Dec, s
US and British health-care systems appraised. 7, Nov, le
CERVICAL DILATATION
In first- and second-trimester abortions. 87, T80, oa
CERVICAL MUCUS
Role in immunologic infertility. 105, Nov, s
CERVICAL NEOPLASMS
Cryosurgery for CIN. 83, T80, oa
Detecting by colposcopy during pregnancy. 100, Sep, oa
Higher doses of methotrexate used in. 15, Aug, nl
Latest in diagnosis and therapy. 19, Dec, oa
Screening for genital tract cancers. 31, T80, oa
Should CIN be treated cryosurgically? 66, July, s
When to use laser therapy for. 85, T80, oa
CERVICITIS
Mistaken for invasive cancer. 78, July, s
CESAREAN SECTION
For high-risk cases, may reduce incidence of shoulder dystocia. 33, Sep, oa
High survival rate in delivery of low-birthweight infants. 134, Sep, ppc
Malpractice action in death following. 126, Jul, mu
Managing wound infections following. 69, Oct, oa
Number of not increased by use of electronic fetal monitoring. 13, Jul, et
Rate in pregnancies following ovulation induced by clomiphene. 109, July, oa
Reasons for questioned. 21, Jul, et
Single-drug regimen proves effective in postcesarean infection. 68, Dec, oa
Surgical training for obstetricians. 100, Dec, s
To avoid stress of labor in postdates pregnancies. 147, Oct, oa
Treating infections following. 77, Sep, oa
CHEMOTHERAPY, see **DRUG THERAPY**
CHILDBIRTH, see **DELIVERY; LABOR; LABOR, INDUCED**
CHILD ABUSE
Alcoholism: When your patient is a problem drinker. 48, July, oa
CHLAMYDIA
Suspected as transmittal agent in squamous cell cervical cancer. 20, Dec, oa
CHLORAMPHENICOL
Irreversible aplastic anemia a rare side effect of. 34, Dec, oa
CHLORIDES
Supplements for infants on soy-based formulas. 23, Sep, nl
CHORIOAMNIONITIS
Can amniotic fluid analyses predict infection? 53, Sep, oa
How to manage. 69, Sep, oa
Learning more about infections. 13, Oct, le
Preventing and controlling infection. 47, Sep, oa
Treating infections following cesarean section. 77, Sep, oa
CHORIOANGIOMA
Retards intrauterine growth. 13, Aug, nl
CHROMOSOME ABNORMALITIES
Commercial diagnostic tests for office use. 42, T80, oa
Does maternal smoking cause birth defects? 16, Dec, nl
Fetal cell sampling by fetoscopy. 19, T80, oa
Genetic basis of congenital adrenal hyperplasia (CAH). 66, Aug, oa
Produced in plants by ultrasound exposure. 64, T80, oa
see also **ABNORMALITIES**
CITROBACTER
C diversus may be cause of infant death. 28, Oct, nl
CLASSIFICATION
Nomenclature for tuboperitoneal operations for infertility. 111, Aug, oa
Of cervical cancer stages. 20, Dec, oa
Safety standards for medical devices needing FDA premarketing approval. 11, T80, oa
CLINDAMYCIN
In combination therapy for infections following cesarean section. 80, Sep, oa

In combination therapy with cefoxitin. 89, Nov, oa
Risk of diarrhea and pseudomembranous colitis associated with. 33, Dec, oa
CLINICAL COMPETENCE
Alcoholism: When the problem is yours . . . or your associate's. 53, July, oa
Criteria for proficiency in colposcope use. 91, July, s
How to prepare for the ECC test. 107, Sep, oa
CLOMIPHENE
Fails to stimulate spermatogenesis in infertile men. 113, July, oa
For inducing ovulation. 105, July, oa
Treatment for male infertility. 199, Sep, s
CLOSTRIDIAL INFECTIONS
Metronidazole effective against. 62, Nov, oa
COLPOSCOPY
In pregnancy. 100, Sep, oa
Screening for vulvar neoplasms. 33, T80, oa
Technology's impact on practice. 9, T80, le
Use in diagnosing cervical cancers and precancers. 20, Dec, oa
COLPOTOMY
Drainage incision for treating abscesses following cesarean section. 79, Sep, oa
COMMUNICATION
Among physicians, hospitals, and manufacturers when devices are recalled or modified. 135, Nov, mu
Faulty devices or drugs? Get in touch with USP. 124, Jul, mu
Learning more about infections. 13, Oct, le
Using audiovisuals to answer patients' questions. 93, T80, oa
When the practitioner sues the TV station . . . and wins. 123, Jul, mu
Why specialize in ob-gyn infection? 45, Sep, oa
COMPUTERS
Data processing and storage in CT scanning. 43, Aug, oa
Use in ultrasound image enhancement. 51, T80, oa
CONCEPTION, see **FERTILITY**
CONDYLOMATA ACUMINATA
Cryosurgery for. 83, T80, oa
Laser therapy for. 85, T80, oa
CONGENITAL DEFECTS, see **ABNORMALITIES; CHROMOSOME ABNORMALITIES**
CONSULTANTS
Can a pathologist or surgeon testify on gyn care? 108, Dec, mu
US and British health-care systems appraised. 7, Nov, le
CONTRACEPTION
Applying the new technology for tubal sterilization. 77, T80, oa
By vaccine. 112, Nov, s
Does minilaparotomy for sterilization have a place in your practice? 39, Oct, oa
Fertility and infertility, Part II: What's new? 99, July oa
For the high-risk woman. 119, Aug, oa
Intranasal contraceptive spray shows promise. 15, Dec, nl
Pro and con: HEW's sterilization rules. 153, Sep, oa
Using audiovisuals to answer patients' questions. 94, T80, oa

CONTRACEPTIVES, ORAL
Effects on alcohol tolerance. 40, July, oa
Increase risk of hypertension for pill users. 120, Aug, oa
May inhibit pelvic infection in users. 96, Oct, oa
When the FDA warning arrives after the damage is done. 107, Dec, mu
CONTRAST MEDIA
Types used in CT scanning for gyn cancers. 45, Aug, oa
CORTISONE
Therapy for male infertility. 199, Sep, s
COST-BENEFIT ANALYSIS
Debate over screening for endometrial cancer. 102, Oct, s
Defending EFM. 13, Jul, et
Economic consequences of infection following hysterectomy. 59, Oct, oa
EFM revisited. 9, Jul, le
High cost a drawback of CT scanning for gyn cancer. 51, Aug, oa
Risks and benefits of antibiotic prophylaxis for hysterectomy. 47, Nov, oa
Widening the attack on gyn cancer. 11, Aug, le
COSTS AND COST ANALYSIS
Claims against ob-gyns rising in many states. 156, Oct, mu
Comparison of seven fetal monitoring systems. 27, T80, oa
Cost efficiency of laparoscopic sterilization. 77, T80, oa
Countersuits: the odds are still against the physician. 128, Aug, oa
If the patient had lived, what would she have earned? 126, Jul, mu
Laser therapy: high equipment cost. 85, T80, oa
Lower-court rulings on California's $250,000 limit on damages for pain and suffering. 209, Sep, mu
New York ob-gyns face territorial rate adjustments. 156, Oct, mu
Price range for ultrasound equipment. 58, T80, oa
US and British health-care systems appraised. 7, Nov, le
COUNSELING
Alcoholism: When the problem is yours . . . or your associate's. 61, July, oa
For homosexual patients. 103, Aug, s
For patients seeking abortions. 90, T80, oa
For women alcoholics. 41, July, oa
Recommended before minilaparotomy procedures. 45, Oct, oa
Using audiovisuals to answer patients' questions. 93, T80, oa
CREATININE
Clearance: how to prepare for the ECC test. 107, Sep, oa
Decreased clearance during pregnancy a sign of pyelonephritis. 95, Sep, oa
CROSS INFECTION
Contaminated equipment: a concern for hospitalized patients. 87, Oct, oa
Controlling nosocomial infections after ob-gyn surgery. 79, Oct, oa
Learning more about infections. 13, Oct, le
Nosocomial meningitis in Florida and Connecticut newborns. 28, Oct, nl
CRYOTHERAPY
For managing preinvasive cervical lesions. 22, Dec, oa
Should CIN be treated cryosurgically? 66, July, s
Two sophisticated therapeutic weapons: the cryoprobe and the laser. 77, T80, oa
CULDOSCOPY
What's happening in endoscopy? 22, T80, oa
CULTURE TESTING
Identifying organisms in urinary tract infections. 94, Sep, oa
Isolation techniques used in postcesarean infection study. 71, Dec, oa
To quantify organisms in amniotic fluid. 54, Sep, oa
CURETTAGE, ENDOMETRIAL
Preceding cryotherapy for cervical neoplasms. 67, July, s
CURETTAGE, SUCTION
Tools and techniques for performing abortion. 87, T80, oa
CURRICULUM
Changes in, for ob-gyn residency programs. 9, Dec, le
For surgical training programs. 81, Dec, s
CYSTADENOCARCINOMA
Of the ovaries: diagnosis, staging, and treatment. 34, Nov, oa
CYTOLOGY
Colposcopy in pregnancy. 100, Sep, oa
Debate over screening for endometrial cancer. 102, Oct, s
Evaluation of CIN preceding cryotherapy. 69, July, s
Screening for genital tract cancers. 31, T80, oa
CYTOMEGALOVIRUSES
Rapid diagnosis of CMV by electron microscopy. 27, July, nl
DEBRIDEMENT
Treatment of surgical wound infection. 75, Oct, oa
DEFORMITIES, see **ABNORMALITIES**
DELIVERY
Colposcopy in pregnancy. 100, Sep, oa
Infection and prematurity: Is there an interrelationship? 87, Sep, oa
Managing shoulder dystocia. 33, Sep, oa
Postdates pregnancy: its risks and management. 133, Oct, oa
Single-drug regimen proves effective in postcesarean infection. 68, Dec, oa
Strategy when pregnancy is complicated by chorioamnionitis. 71, Sep, oa
US and British health-care systems appraised. 7, Nov, le
DENIAL (PSYCHOLOGY)
Factor in physician alcoholism. 55, July, oa
DEVICES, see **EQUIPMENT AND SUPPLIES**
DEXTRAN
Distending medium in hysteroscopy. 18, T80, oa
Use of in hysteroscopic diagnosis of Asherman syndrome. 128, Nov, ppc
DEXTROSE
Distending medium in hysteroscopy. 17, T80, oa
DIABETES MELLITUS
Contraception for the high-risk woman. 121, Aug, oa
Office diagnostic tests for. 40, T80, oa
DIAGNOSIS
Antibiotic-induced pseudomembranous enterocolitis: a case study. 35, Dec, oa
Cervical cancer: What's the latest in diagnosis and therapy? 19, Dec, oa
Colposcopy in pregnancy. 100, Sep, oa
Commercial diagnostic tests for office use. 39, T80, oa
Debate over screening for endometrial cancer. 100, Oct, s
Defending EFM. 13, Jul, et
Detecting and assessing cancer with ultrasound. 21, Aug, oa
Diagnosing, staging, and treating early ovarian carcinoma. 33, Nov, oa
EFM revisited. 9, Jul, le
Electron microscopy used to detect cytomegalovirus in newborns. 27, July, nl
Evaluating surgical wounds for signs of infection. 72, Oct, oa
Experimental data support EFM. 21, Jul, et
How safe is ultrasound in obstetrics? 63, T80, oa
How to manage acute chorioamnionitis. 69, Sep, oa
How useful is peritoneoscopy in gyn oncology? 33, Aug, oa
Making the best use of ultrasound equipment in your practice. 51, T80, oa
New and accurate ways to diagnose CAH prenatally. 59, Aug, oa
Newer methods of diagnosing and treating Asherman syndrome. 117, Nov, ppc
Scanning gyn cancers with CT. 43, Aug, oa
Screening for genital tract cancers. 31, T80, oa
Should CIN be treated cryosurgically? 66, July, s
Special problems of gynecologic infection. 50, Oct, oa
Technology's impact on practice. 9, T80, le
What's happening in endoscopy? 17, T80, oa
When you suspect infertility is immunologic. 92, Nov, s
Widening the attack on gyn cancer. 11, Aug, le

DIAPHRAGMS
Faulty, reported to US Pharmacopeia. 124, Jul, mu
DIARRHEA
Caused by clindamycin. 34, Dec, oa
DIET
Preceding creatinine clearance testing. 108, Sep, oa
Soy-based infant formulas linked to metabolic alkalosis. 23, Sep, nl
DIETHYLSTILBESTROL
Associated with infertility in male offspring of exposed women. 193, Sep, s
Class action suit on DES gets the go-ahead. 107, Dec, mu
DILATATION AND CURETTAGE
For histologic confirmation of endometrial cytopathology. 115, Oct, s
In screening for endometrial cancer. 34, T80, oa
Performed routinely at the time of tubal sterilization. 88, Aug, oa
Possible cause of trauma leading to Asherman syndrome. 121, Nov, ppc
WHO studies abortion effects. 24, Nov, nl
DILATATION AND EVACUATION
Tools and techniques for performing abortion. 89, T80, oa
DISPOSABLE EQUIPMENT
Disposable aspirators used in endometrial cancer screening. 115, Oct, s
Plastic aspirator tubes for genital tract smears. 32, T80, oa
Prepacked disposable gloves recommended for preventing nosocomial infections. 80, Oct, oa
Sterile disposable bags for use in operating room photography. 97, T80, oa
DIURETICS
Avoidance before creatinine clearance testing. 111, Sep, oa
DOSE-RESPONSE RELATIONSHIP, DRUG
Antibiotic regimens for prophylaxis before hysterectomy. 53, Nov, oa
Anticipating and avoiding toxic reactions to antibiotics. 32, Dec, oa
Clomiphene dosage for inducing ovulation. 105, July, oa
Comparative pharmacokinetics of cephalosporins. 68, Nov, oa
CT scanning follows response of pelvic tumors to chemotherapy. 45, Aug, oa
Evaluating a single-agent prophylaxis for vaginal hysterectomy patients. 53, Dec, oa
Higher doses of methotrexate used in cervical cancer. 15, Aug, nl
Repeat peritoneoscopy used to gauge response to chemotherapy. 38, Aug, oa
Single-drug regimen proves effective in postcesarean infection. 68, Dec, oa
DRAINAGE, SUCTION
Regimen to prevent infection following hysterectomy. 57, Oct, oa
Short-term use following surgery, for infection control. 80, Oct, oa
DRUG ABUSE
Cross-addiction in women alcoholics. 40, July, oa
DRUG EVALUATION
Childhood cancer not linked to drugs used in pregnancy. 30, July, nl
Faulty devices or drugs? Get in touch with USP. 124, Jul, mu
DRUG LABELING
Class action suit on DES gets the go-ahead. 107, Dec, mu
Do patient package inserts shift malpractice emphasis? 209, Sep, mu
When the FDA warning arrives after the damage is done. 107, Dec, mu
DRUG THERAPY
Anticipating and avoiding toxic reactions to antibiotics. 32, Dec, oa
Assessing the clinical potential of the newer parenteral cephalosporins. 81, Nov, oa
Avoiding the dangers of UTI in pregnancy. 93, Sep, oa
Bromocriptine effective in treating pituitary tumors. 16, Nov, nl

Diagnosing congenital adrenal hyperplasia prenatally. 59, Aug, oa
Factor in link between delayed cord separation and neutrophil function in newborns. 28, Oct, nl
Fetal cell sampling by fetoscopy. 19, T80, oa
GENITAL DISEASES, FEMALE
Antibiotic prophylaxis for hysterectomy. 47, Nov, oa
Cryotherapy for. 83, T80, oa
Laser therapy for. 85, T80, oa
Learning more about infections. 13, Oct, le
Office diagnostic tests for. 46, T80, oa
Preventing infection following vaginal hysterectomy. 59, Dec, oa
Special problems of gynecologic infection. 50, Oct, oa
Treating mixed infections with a new cephamycin. 63, Dec, oa
see also **VENEREAL DISEASES**
GENITAL NEOPLASMS, FEMALE
Class action suit on DES gets the go-ahead. 107, Dec, mu
Debate over screening for endometrial cancer. 100, Oct, s
Detecting and assessing cancer with ultrasound. 21, Aug, oa
Higher doses of methotrexate used in. 15, Aug, nl
How useful is peritoneoscopy in gyn oncology? 33, Aug, oa
Scanning gyn cancers with CT. 43, Aug, oa
Screening for genital tract cancers. 31, T80, oa
Widening the attack on gyn cancer. 11, Aug, le
see also **VULVAR NEOPLASMS**
GENTAMICIN
Guidelines for using aminoglycosides. 42, Dec, oa
In combination therapy for infections following cesarean section. 79, Sep, oa
Risk of ototoxicity associated with. 33, Dec, oa
Treatment for *Serratia marcescens* infection in premature newborn. 128, Sep, ppc
GESTATIONAL AGE
Estimating, before abortion procedure. 88, T80, oa
Factor in WHO study of abortion effects on subsequent pregnancies. 28, Nov, nl
Infection and prematurity: Is there an interrelationship? 87, Sep, oa
Motor nerve conduction velocity measurements for precise dating in premature newborns. 143, Sep, ppc
Postdates pregnancy: its risks and management. 133, Oct, oa
Shorter gestations in infants with RSV infections. 17, Oct, nl
GIARDIASIS
Metronidazole is treatment of choice for. 62, Nov, oa
GLOMERULAR FILTRATION RATE
How to prepare for the ECC test. 107, Sep, oa
GLUCOCORTICOIDS
Therapy for congenital adrenal hyperplasia. 59, Aug, oa
Use in premature deliveries to induce development of lung surfactant. 135, Sep, ppc
GOLD COLLOID, RADIOACTIVE
Intraperitoneal treatment for ovarian cancer. 36, Nov, oa
GONADOTROPINS
Gonadotropin-releasing hormone agonist used in intranasal contraceptive spray. 15, Dec, nl
Role in male infertility. 188, Sep, s
GONADOTROPINS, CHORIONIC
Assays for pregnancy testing. 39, T80, oa
How contraceptive vaccines would affect. 112, Nov, s
Is there an association between hCG and hyperemesis? 19, Sep, nl
Radioreceptor assay of, to identify ectopic pregnancy. 88, T80, oa
GONORRHEA
CDC reports increase in total gonorrhea morbidity. 19, Nov, nl
Found not associated with PID in IUD users. 95, Oct, oa
GOVERNMENT
Funding for population research debated. 101, July, oa
How FDA regulations affect the devices you buy. 11, T80, oa
Impetus to increase number of ob-gyn practitioners. 81, Dec, s
Pro and con: HEW's sterilization rules. 153, Sep, oa
US and British health-care systems appraised. 7, Nov, le
HEALTH INDUSTRY MANUFACTURERS ASSOCIATION
Subsidiary offers group product-liability insurance. 141, Nov, mu
HEALTH MAINTENANCE ORGANIZATIONS
US and British health-care systems appraised. 7, Nov, le
HEART DISEASE
Gonococcal infection implicated in cardiac death. 22, Nov, nl
HELIUM
Use in lasers. 84, T80, oa
HEMATOLOGY
Commercial diagnostic tests for office use. 46, T80, oa
HEMOGLOBINOPATHIES
Fetal cell sampling by fetoscopy. 19, T80, oa
HEMOPERITONEUM
Complication of laparoscopy. 77, Aug, oa
HEMORRHAGE
Complication of laparoscopy. 83, Aug, oa
HEPATOMEGALY
Sign of alcoholism. 38, July, oa
HEPATOSPLENOMEGALY
Sign of CMV infection in newborns. 27, July, nl
HERPES SIMPLEX VIRUS (TYPE 2)
Suspected as transmittal agent in squamous cell cervical cancer. 20, Dec, oa
HISTOLOGY
Debate over screening for endometrial cancer. 110, Oct, s
Screening for genital tract cancers. 34, T80, oa
HISTORY OF MEDICINE
Development of cephalosporins. 67, Nov, oa
Learning more about infections. 13, Oct, le
Preventing and controlling ob infection. 47, Sep, oa
Technology's impact on practice. 9, T80, le
Two sophisticated therapeutic weapons: the cryoprobe and the laser. 83, T80, oa
Why specialize in ob-gyn infection? 45, Sep, oa
HLA ANTIGENS
Role in prenatal diagnosis of congenital adrenal hyperplasia. 66, Aug, oa
HODGKIN DISEASE
Peritoneoscopy used to evaluate. 33, Aug, oa
HOMOSEXUALITY
Clinician and the homosexual patient. 92, Aug, s
HORMONES
Androgen insensitivity may cause male infertility. 13, Nov, nl
Contraception by vaccine. 112, Nov, s
Infertility in men: what the gynecologist needs to know. 188, Sep, s
Intranasal contraceptive spray shows promise. 15, Dec, nl
Is there an association between high hCG and hyperemesis? 19, Sep, nl
Primate sexual behavior and. 171, Sep, oa

HOSPITAL ADMINISTRATION
Deaths of newborns underreported in Georgia. 34, Oct, nl
House staff may help patients in suits against city hospitals. 126, Jul, mu
Special personnel for registering infections. 79, Oct, oa
US and British health-care systems appraised. 7, Nov, le
What do you do when your patient's implant is recalled? 135, Nov, mu
Who's at fault when the training program itself is negligent? 160, Oct, mu
HOSPITALIZATION
Effect of wound infections on hospital stays. 69, Oct, oa
Hospital stays shorter for cefoxitin-treated patients following hysterectomy. 55, Dec, oa
Postoperative stay a measure of outcome in hysterectomies. 49, Nov, oa
HOST DEFENSE, see **IMMUNITY, NATURAL**
HUMAN ENGINEERING
In design of ultrasound equipment. 54, T80, oa
HUMERAL FRACTURES
Risk of, to neonate, in shoulder dystocia. 40, Sep, oa
HYALINE MEMBRANE DISEASE
Complications of endotracheal intubation in newborns. 20, Oct, nl
HYDROGEN ION CONCENTRATION
High urine pH encourages bacterial growth. 93, Sep, oa
Measurement of pH to identify amniotic fluid bacteria. 56, Sep, oa
Measurement of scalp pH by fetal monitoring systems. 26, T80, oa
HYDROGEN PEROXIDE
Treatment of surgical wound infection. 72, Oct, oa
HYDROXYPROGESTERONES
Radioimmunoassay of in amniotic fluid to detect congenital adrenal hyperplasia. 64, Aug, oa
HYPERBILIRUBINEMIA
In newborns: complication of postdates pregnancy. 136, Oct, oa
Phototherapy treatment for in premature newborn. 126, Sep, ppc
HYPEREMESIS GRAVIDARUM
Is there an association between high hCG and? 19, Sep, nl
HYPERPLASIA
New and accurate ways to diagnose CAH prenatally. 59, Aug, oa
see also **NEOPLASMS**
HYPERPROLACTINEMIA
Bromocriptine effective in treating pituitary tumors. 16, Nov, nl
Office diagnostic tests for. 40, T80, oa
HYPERTENSION
Sign of alcoholism. 38, July, oa
HYPOCALCEMIA
In newborns: complication of postdates pregnancy. 136, Oct, oa
HYPOGLYCEMIA
In newborns: complication of postdates pregnancy. 136, Oct, oa
HYPOPHYSECTOMY
Transsphenoidal, for pituitary tumors. 16, Nov, nl
HYPOTHALAMUS
Role in association between hCG and hyperemesis. 23, Sep, nl
HYPOTHERMIA
In premature newborns. 138, Sep, ppc
HYSTERECTOMY
Cervical cancer therapy. 23, Dec, oa
Cesarean, for older pregnant women desiring sterilization. 72, Sep, oa
Estimates of total procedures performed in US. 80, Dec, s
Evaluating a single-agent prophylaxis for. 53, Dec, oa
Forestalling postoperative infection before starting. 57, Oct, oa
HEW bans federal funding of, for sterilization. 166, Sep, oa
Infection rate following. 82, Oct, oa
Managing wound infections following. 69, Oct, oa
Preventing infection following. 59, Dec, oa
Risks and benefits of antibiotic prophylaxis for hysterectomy. 47, Nov, oa
Unnecessary, malpractice suit for. 123, Jul, mu
HYSTEROSALPINGOGRAPHY
Newer methods of diagnosing and treating Asherman syndrome. 117, Nov, ppc
HYSTEROSCOPY
FDA regulations restrict use of for female sterilization. 14, T80, oa
Newer methods of diagnosing and treating Asherman syndrome. 117, Nov, ppc
What's happening in endoscopy? 18, T80, oa
IBUPROFEN
Treatment for dysmenorrhea. 119, July, oa

IDENTIFICATION (PSYCHOLOGY)
Gender identity development in homosexuals. 104, Aug, s
ILLUMINATION, see LIGHTING
IMAGE ENHANCEMENT
In B-scan real-time ultrasound devices by scan converters. 51, T80, oa
IMMUNITY, NATURAL
Quantitating host response to bacterial pathogens. 61, Sep, oa
IMMUNODIFFUSION ASSAY, see GEL DIFFUSION TESTS
IMMUNOLOGIC DEFICIENCY
Delayed cord separation may affect neutrophil function. 24, Oct, nl
IMMUNOLOGY
Primate center pursues the puzzles of reproductive biology. 178, Sep, oa
When you suspect infertility is immunologic. 92, Nov, s
IMPLANTATION
What do you do when your patient's implant is recalled? 135, Nov, mu
IMPOTENCE
In patient with pituitary tumor. 16, Nov, nl
INCOME
Loss of, in malpractice action. 126, Jul, mu
INDIANA STATE APPEALS COURT
When the FDA warning arrives after the damage is done. 107, Dec, mu
INDOMETHACIN
Effects of use to prolong labor, in primates. 184, Sep, oa
Treatment for dysmenorrhea. 119, July, oa
INFANT FOOD
Soy-based infant formulas linked to metabolic alkalosis. 23, Sep, nl
INFANT, LOW BIRTHWEIGHT
Brief for aggressive resuscitation of neonates. 119, Sep, ppc
Effects of abortion on subsequent pregnancies. 28, Nov, nl
RSV infections and. 17, Oct, nl
INFANT MORTALITY
C diversus may be cause of. 28, Oct, nl
Deaths of newborns underreported in Georgia. 34, Oct, nl
Defending EFM. 13, Jul, et
Fetal surveillance has reduced in premature deliveries. 133, Sep, ppc
Higher incidence of, in offspring of mothers with history of childhood kidney disease. 19, Sep, nl
Increased, in postdates pregnancies. 133, Oct, oa
Increased, in pregnancies following appearance of Asherman syndrome. 130, Nov, ppc
Rate of, in offspring of mothers given clomiphene therapy to induce ovulation. 109, July, oa
Risk of, in acute chorioamnionitis. 69, Sep, oa
Risk of neonatal death in shoulder dystocia. 33, Sep, oa
INFANT, NEWBORN, DISEASES
Age may be a factor in infant RSV infection. 14, Oct, nl
C diversus may be cause of infant death. 28, Oct, nl
Can amniotic fluid analyses predict infection? 53, Sep, oa
Complications of postdates pregnancy. 135, Oct, oa
Delayed cord separation may affect neutrophil function. 24, Oct, nl
Infection and prematurity: Is there an interrelationship? 87, Sep, oa
Neurologic development lag attributed to IUGR from placental chorioangioma. 13, Aug, nl
Physiotherapy cuts frequency of postextubation atelectasis. 20, Oct, nl
Rapid diagnosis of CMV by electron microscope. 27, July, nl
INFANT, PREMATURE
Brief for aggressive resuscitation of neonates. 119, Sep, oa
Infection and prematurity: Is there an interrelationship? 87, Sep, oa
INFANT, SMALL FOR GESTATIONAL AGE
Mothers' childhood diseases may lead to small babies. 19, Sep, nl
INFECTION, see BACTERIAL INFECTIONS; VIRAL INFECTIONS; SPECIFIC ORGAN INFECTIONS; SPECIFIC ORGANISMS
INFECTIOUS DISEASE SOCIETY FOR OBSTETRICS AND GYNECOLOGY
Learning more about infections. 13, Oct, le
Origin and purpose of. 45, Sep, oa
Proper antibiotic use. 42, Nov, oa
Special problems of gynecologic infection. 50, Oct, oa
INFERTILITY, see FERTILITY
INFORMATION SERVICES
Faulty devices or drugs? Get in touch with USP. 124, Jul, mu
Using audiovisuals to answer patients' questions. 93, T80, oa
What do you do when your patient's implant is recalled? 135, Nov, mu
INFORMED CONSENT
Audiovisual instruction used as legal backup. 95, T80, oa
Before sterilization: HEW rules on steps and timing of. 154, Sep, oa
Do patient package inserts shift malpractice emphasis? 210, Sep, mu
Recommended before insertion of IUDs. 96, Oct, oa
Ultrasound examination and. 74, T80, oa
INSEMINATION, ARTIFICIAL
For homosexual women. 98, Aug, s
INSUFFLATION
Abdominal, for laparoscopy. 77, T80, oa
Techniques used in laparoscopy. 75, Aug, oa
INSURANCE BENEFITS
Plans covering neonatal period. 147, Sep, ppc
INSURANCE, HEALTH
US and British health-care systems appraised. 7, Nov, le
INSURANCE LIABILITY
Arbitration gaining acceptance in malpractice cases. 156, Oct, mu

Directory of manufacturers. 104, T80, oa
Equipment needed for minilaparotomy. 39, Oct, oa
Equipment needed for tubal reconstruction. 112, Aug, oa
Two sophisticated therapeutic weapons: the cryoprobe and the laser. 83, T80, oa
SURGICAL WOUND INFECTIONS
Controlling nosocomial infections after ob-gyn surgery. 79, Oct, oa
Evaluating a single-agent prophylaxis for vaginal hysterectomy patients. 53, Dec, oa
Forestalling, before starting a hysterectomy. 57, Oct, oa
Learning more about infections. 13, Oct, le
Managing infected abdominal wounds. 69, Oct, oa
Preventing, following vaginal hysterectomy. 59, Dec, oa
Single-drug regimen proves effective in postcesarean infection. 68, Dec, oa
Treating infections following cesarean section. 77, Sep, oa
TACHYCARDIA
In mother or fetus, sign of chorioamnionitis. 69, Sep, oa
Sign of alcoholism. 38, July, oa
TAY-SACHS DISEASE
Office diagnostic tests for. 42, T80, oa
TEACHING MATERIALS
Directory of manufacturers. 104, T80, oa
Using audiovisuals to answer patients' questions. 93, T80, oa
What's wrong with ob-gyn surgical training? 78, Dec, s
TECHNOLOGY, MEDICAL
Applying the new technology for tubal sterilization. 77, T80, oa
Avoiding medical and surgical complications of laparoscopy. 75, Aug, oa
Colposcopy in pregnancy. 100, Sep, oa
Defending EFM. 13, Jul, et
Detecting and assessing cancer with ultrasound. 21, Aug, oa
EFM revisited. 9, Jul, le
Electron microscopy used to detect cytomegalovirus in newborns. 27, July, nl
Equipment-related infections in hospitalized patients. 87, Oct, oa
Experimental data support EFM. 21, Jul, et
How FDA regulations affect the devices you buy. 11, T80, oa
How safe is ultrasound in obstetrics? 63, T80, oa
How useful is peritoneoscopy in gyn oncology? 33, Aug, oa
Impact on practice. 9, T80, le
Making the best use of ultrasound equipment in your practice. 51, T80, oa
Photography in the operating room. 97, T80, oa
Scanning gyn cancers with CT. 43, Aug, oa
Should CIN be treated cryosurgically? 66, July, s
Survey of fetal monitoring equipment. 25, T80, oa
Tools and techniques for performing abortion. 87, T80, oa
Two sophisticated therapeutic weapons: the cryoprobe and the laser. 83, T80, oa
What do you do when your patient's implant is recalled? 135, Nov, mu
What's happening in endoscopy? 17, T80, oa
see also **EQUIPMENT AND SUPPLIES**
TELEMETRY
Features of fetal monitoring systems. 26, T80, oa
Technology's impact on practice. 9, T80, le
TELEVISION
Using audiovisuals to answer patients' questions. 93, T80, oa
When the practitioner sues the TV station . . . and wins. 123, Jul, mu
TEMPERATURE
Effective probe tip temperatures in cryosurgery. 84, T80, oa
TESTICULAR DISEASES
Infertility in men: what the gynecologist needs to know. 189, Sep, s
TESTOSTERONE
Androgen insensitivity may cause male infertility. 13, Nov, nl
Levels reduced in patient with pituitary tumor. 16, Nov, nl
Masculinized behavior in female primates treated with. 171, Sep, oa
Therapy for male infertility. 199, Sep, s
TETRACYCLINES
In combination therapy for infections following cesarean section. 79, Sep, oa
Plus penicillin, compared with cefamandole in postoperative infection. 68, Dec, oa
Preventive prophylactic before hysterectomy. 57, Oct, oa
THEOPHYLLINE
Therapy for apnea and bradycardia in premature newborn. 126, Sep, ppc
THORACIC DISEASES
Physiotherapy cuts frequency of postextubation atelectasis. 20, Oct, nl
THROMBOPHLEBITIS
Oral contraceptive use increases risk of. 123, Aug, oa
Side effect of cefoxitin prophylaxis following vaginal hysterectomy. 59, Dec, oa
When the FDA warning arrives after the damage is done. 107, Dec, mu
TOBRAMYCIN
Guidelines for using aminoglycosides. 43, Dec, oa
TOCODYNAMOMETRY
Features of fetal monitoring systems. 25, T80, oa
TOMOGRAPHY, COMPUTERIZED AXIAL
Scanning gyn cancers with CT. 43, Aug, oa
Widening the attack on gyn cancer. 11, Aug, le
TOXICOLOGY
Adverse reactions to aminoglycosides. 43, Dec, oa
Anticipating and avoiding toxic reactions to antibiotics. 32, Dec, oa
Proper antibiotic use. 42, Nov, oa
Renal toxicity of cephalosporins. 71, Nov, oa
TRANSDUCERS
Types used in ultrasonography. 53, T80, oa
TRANSPLANTATION
Classifying tuboperitoneal operations for infertility. 116, Aug, oa
TRICHOMONAS INFECTIONS
Metronidazole is treatment of choice for. 62, Nov, oa
TROPHOBLASTIC DISEASE
Detecting and assessing cancer with ultrasound. 22, Aug, oa
TUBERCULOSIS, PULMONARY
Occurrence in mother related to cancer in offspring. 30, July, nl
Skin test for. 39, T80, oa
TUMORS, see NEOPLASMS
ULTRASOUND
Compared with CT scanning for effectiveness in evaluating pelvic masses. 51, Aug, oa
Detecting and assessing cancer with. 21, Aug, oa
Doppler measurement capability in fetal monitoring systems. 25, T80, oa
FDA guidelines on ultrasound equipment manufacture and use. 14, T80, oa
For guidance in fetoscopy. 19, T80, oa
How safe is ultrasound in obstetrics? 63, T80, oa
Making the best use of ultrasound equipment in your practice. 51, T80, oa
New and accurate ways to diagnose CAH prenatally. 59, Aug, oa
Technology's impact on practice. 9, T80, le
To follow pelvic abscesses after cesarean section. 80, Sep, oa
Use in gestational dating in postdates pregnancies. 138, Oct, oa
Widening the attack on gyn cancer. 11, Aug, le
ULTRAVIOLET THERAPY
Fails to decrease surgical wound infection rate. 71, Oct, oa
UMBILICAL CORD
Delayed cord separation may affect neutrophil function. 24, Oct, nl
URETHROSCOPY
What's happening in fetoscopy? 22, T80, oa
URINARY INCONTINENCE
Diagnosing by urethroscopy. 22, T80, oa
URINARY TRACT INFECTIONS
Account for majority of nosocomial infections. 80, Oct, oa
Avoiding the dangers of in pregnancy. 93, Sep, oa
Cephalosporins contraindicated for. 77, Nov, oa
Commercial diagnostic tests for office use. 39, T80, oa
Following bladder catheterization. 87, Oct, oa
Oral contraceptive use associated with bacteriuria risk. 123, Aug, oa
Possible cause of male infertility. 192, Sep, s
UROGRAPHY
Establishing cause of urinary tract infection. 94, Sep, oa
UROLOGY
Infertility in men: what the gynecologist needs to know, 188, Sep, s
US BUREAU OF MEDICAL DEVICES
How FDA regulations affect the use of devices you buy. 11, T80, oa
US BUREAU OF RADIOLOGICAL HEALTH
Statement on bioeffects of ultrasound exposure. 74, T80, oa
US DEPARTMENT OF HEALTH, EDUCATION, AND WELFARE
Pro and con: HEW's sterilization rules. 153, Sep, oa
US FOOD AND DRUG ADMINISTRATION
How FDA regulations affect the devices you buy. 11, T80, oa
Opposed to elective induction of labor. 9, Jul, le
When the FDA warning arrives after the damage is done. 108, Dec, mu
US HEALTH CARE FINANCING ADMINISTRATION
Pro and con: HEW's sterilization rules. 153, Sep, oa
US PHARMACOPEIA
Faulty devices or drugs? Get in touch with USP. 124, Jul, mu
UTERINE CONTRACTIONS
Amplitude-measuring capability in fetal monitoring systems. 25, T80, oa
UTERINE DISEASES
Intrauterine synechiae in Asherman syndrome. 120, Nov, ppc
UTERINE INFECTIONS
Can amniotic fluid analyses predict? 53, Sep, oa
May contribute to production of antisperm antibodies. 107, Nov, s
Prematurity and. 87, Sep, oa
UTERINE NEOPLASMS
Detecting and assessing cancer with ultrasound. 22, Aug, oa
How useful is peritoneoscopy in gyn oncology? 35, Aug, oa
UTERINE RUPTURE
Avoiding, during abortion procedures. 88, T80, oa
VACCINES
Contraception by. 112, Nov, s
VACUUM ASPIRATION
WHO studies abortion effects. 24, Nov, nl
VAGINITIS
Associated with premature deliveries. 88, Sep, oa
VARICOCELE
Role in male infertility. 191, Sep, s
VASECTOMY
Increased antisperm antibody production in vasectomized men. 95, Nov, s
Long-term effects of, in primates. 178, Sep, oa
VASOVASOSTOMY
Immunologic infertility in primates after reanastomosis. 180, Sep, oa
One-layer anastomosis technique tested. 114, July, oa
VENEREAL DISEASES
CDC reports increase in total gonorrhea morbidity. 19, Nov, nl
Gonococcal infection implicated in cardiac death. 22, Nov, nl
Squamous cell cervical cancer. 20, Dec, oa
VERESS NEEDLE
Applying the new technology for tubal sterilization. 77, T80, oa
Use in insufflating abdomen for laparoscopy. 75, Aug, oa
VIDEOTAPE
Recording of ultrasound images. 52, T80, oa
Using audivisuals to answer patients' questions. 93, T80, oa
VINCRISTINE
Used to increase intracellular transport of high doses of methotrexate in cervical cancer. 15, Aug, nl
VIRAL INFECTIONS
Age may be a factor in infant RSV infection. 14, Oct, nl
Why specialize in ob-gyn infection? 46, Sep, oa
VIRILISM
In female offspring with congenital adrenal hyperplasia. 59, Aug, oa
VIRUS DISEASES
Rapid diagnosis of CMV by electron microscopy. 27, July, nl
VITAMIN E
Therapy for anemia in premature newborns. 121, Sep, ppc
VOMITING
Is there an association between high hCG and hyperemesis? 23, Sep, nl
VULVAR NEOPLASMS
Cryosurgery for. 83, T80, oa
Higher doses of methotrexate used in. 15, Aug, nl
Screening for genital tract cancers. 32, T80, oa
see also **GENITAL NEOPLASMS**
VULVECTOMY
Infection rate following. 82, Oct, oa
WORLD HEALTH ORGANIZATION
Data on immunologic infertility. 105, Nov, s
WHO studies abortion effects. 24, Nov, nl
X-RAY, DIAGNOSTIC, see RADIOGRAPHY
ZINC
Levels in amniotic fluid related to antibacterial activity. 64, Sep, oa □
